

*Pure and undefiled religion in the sight of our God and
Father is this: to visit orphans and widows in their distress,
and to keep oneself unstained by the world.*

JAMES 1:27

Shepherd's Heart International believes that every child deserves to know the love of God and an earthly family. We work to rescue children from the streets of Kenya and reunite them with their own or a foster family. We support the families until they are able to stand on their own with food, medical costs, counseling and school fees. We also work to identify families at risk for separation and work with them to remain a family unit.

"For the past 20 years, I have been privileged to know and meet many of the children and leaders we continue to support. How blessed Kenya is to have such a relationship that has a primary goal to share the love of Christ. Thank you for your support and participation in this golf outing that will fund ongoing aspects of this special ministry."

-Al Miller, Pastor
