

YEAR IN REVIEW 2020

Bye Bye 2020!

BY JESSICA PAGE

With 2020 well behind us, we can look back and see the goodness of God despite the chaos happening all around the world. God has wowed us with his faithfulness this past year.

Because of your generosity, our staff, families and children have thrived in 2020! Our Kenyan staff worked at full salary all year! We began our first multiplying discipleship group. We completed or made progress on three major projects and every child in our program was able to return to school in November/December!

On behalf of everyone at Shepherd's Heart, Thank you! I hope you feel the joy that comes from letting God use you to be a blessing to others.
